

2170 COMMERCIAL BROADCAST SPREADER

Developed for Commercial applicators, the 2170 delivers superior performance at an affordable price. The 2170 is a true Commercial performer 100lb/45kg capacity, the heavy-duty “Diamond” chassis and super-duty high-speed gearbox. This mix of high performance and great price gives the Commercial user, or the homeowner with a large lawn, the capabilities of handling large areas easily. The 2170 is designed from the ground up for easy operation and long trouble-free service. Our patented EV-N-SPRED[®] 3-hole drop system will allow for balanced spreading of all types of granular material. The 2170 is a must have for any commercial material applicator.
